Area 2b(REI1) Library and Pool House

The Reigate Business Guild will support the redevelopment of the Pool House site but there must be a library/community use on site as well as a mix of business and residential.

The Library is a vital resource for the town centre and much could be done to improve the current offer including more regular open times and community events.

Any forthcoming development proposals of the sites at the Town Hall (Castlefield Road) Pool House (Bancroft Road) and Albert Road North should be encouraged to be developed with a varied and attractive mix of uses. Too many of the existing B1 sites being converted to C3 under permitted development lack any active street frontage and detract from the rich tapestry of the main commercial shopping streets.

Innovative development should be encouraged which can maintain community, commercial and retail uses at ground level with residential above. Mixed use schemes can also offer more varied and attractive architectural opportunities in these important sites.

(continue on a separate sheet/expand box if necessary)

(6) Please set out what modification(s) you consider necessary to make the Development Management Plan legally compliant or sound, having regard to the matter you have identified at (5) above where this relates to soundness. You will need to say why this modification will make the Development Management Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

See Section 5 above.

(continue on a separate sheet/expand box if necessary)

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

Yes, I wish to participate at the oral examination

Yes

(9) If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

We would like to assist the Inspector in assessing the Town Centre Allocations and Opportunity Sites.

Please note: The inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.
