Another Successful Fayre

It may be March this Friday but it would be wrong to go without mentioning the success of last year's Christmas Fayre.

With 60 stalls and over 8000 visitors it was our biggest fayre to date. We raised over £8000 and finally got to see the town's new lights switched on for the first time. Which, without your hard work and generosity, would still be nothing but a pipe dream.

Events like this don't simply happen overnight. So thank you to everyone who not only gave up their own time on the day but also helped with the organising, from the layout of the stalls to responding to messages on Facebook.

Quiz Night

Thursday 4th April | 7:30pm

Following the huge success of last year's quiz night, Reigate Manor have kindly offered to play host to our 2019 event on Thursday 4th April.

Tickets are just £15 each they include entry to the quiz and a chicken curry. They'll even throw in a free bottle of house wine for teams of 8 or more.

You can grab your tickets by visiting the events page on the hotels website or by giving them a call on 01737 240125.

Still to come...

£2000 for MNDA

Back in September we spent the day at Betchworth Park Golf Club for our annual golf day, raising money for our Christmas lights fund and the Motor Neurone Disease Association (MNDA).

As usual the whole day was superb from start to finish. These events are, of course, great fun for everyone involved. Yet it's very easy to forget why we are all there in the first place.

Last month Peter Mitchell delivered a large cheque for £2000 to the MNDA offices. It's always a pleasure to be able to raise money for such a well deserving charity. We look forward to supporting another worthy cause next year.
