Christmas Fayre

Saturday 1st December | 12-5pm

With the temperatures dropping and the clocks set to change later this month the countdown to the 2018 Christmas Fayre is well and truly underway. Former Tory MP, Anne Widdecombe, will be switching the new Christmas lights on at 4:30pm, after what is expected to be the busiest fayre to date. As always any support on the day will be very much appreciated by all.

Run Reigate Turns 5!

Nearly 5,000 runners took to the streets of Reigate on Sunday 16th September to complete their Half Marathon, 10k, 5k or Kids Race. With most races sold out, the closed road event continues to grow in popularity for both runners and the many spectators who turned out to offer support. Race Director Dave Kelly said "We are very proud that Run Reigate has become Surrey's largest running event and has raised more than £750,000 for local charities. This year's fifth anniversary event has been our biggest yet and we were thrilled so many of our local businesses were involved".

Run Reigate are keen to engage Reigate Guild Members, so if you would like to know more about opportunities for getting involved with the Run Reigate 2019 event, please contact info@runreigate.com.

Charity golf day

The Reigate Business Guild have raised £7,000 for the Christmas lights fund and Motor Neuron Disease. The annual golf day is attended by guild members who bring along their guests to thrash it out over the 18 holes at the beautiful Betchworth Park Golf Club. The day was supported by many of the towns local businesses by either attending or donating one of the many raffle prizes. The winners of the much coveted trophy were the team from High Street estate agent, White and Sons.

Peter Mitchell from organisers Mitchell and Company said "The day was a great success and enjoyed by all. On course refreshments were supplied by the Pilgrim Brewery and the golf was followed by a fabulous dinner.

Dave Setters, a local man, who is suffering from MND spoke inspirationally about the disease and how it affects the individual and their immediate family. He touched everyone in the room and truly deserved his standing ovation.

A raffle and auction followed with prizes being supplied by local businesses and individuals. The high point of the auction was getting £700 for a 5kg Turkey supplied by Robert Edwards!"

Late Night Xmas Shopping Event

The team from Inside Out Health have once again kindly organised this year's Late Night Shopping Evening taking place on Thursday 6th December 2018 from 5pm until 9pm.

A whole bunch of stores on the High Street are getting involved by keeping their doors open late, many of which are Guild members. So if you have the chance do pop down and support them. Rumour is there may be a few stores offering a glass of fizz on the door to celebrate. What more could you ask for.
