MARCH 2018

VOLUME 2

Our Mission

Reigate Business Guild exists to promote, enhance & protect the charming town of Reigate.

We are a local united, voluntary voice from within the business community, promoting commerce, safeguarding the environment, organising events and supporting activities & opportunities for the benefit of the town.

Working closely with other Reigate interest groups & the local authorities, our aim is for Reigate to remain a vibrant & attractive place to live, work & visit; now & for future generations.

Quiz Night Raises £1910

On Thursday 8th March we had our very first quiz night at Reigate Manor. The whole event was a huge success, resulting in over £1900 being raised for the Guild. A big thank you to everyone who came along, bought raffle tickets and generally had a great evening. Congratulations to the guys at Pilgrim Brewery who walked away with the coveted trophy. Proving that beer clearly has no effect on brain cells. Cheers!

Surrey Digital Awards

In November we announced the introduction of our new website. Well, just 4 months later that very same website has won an award at the Surrey Digital Awards on Thursday 15th March. Obviously a big thank you must go to Simon Jessop at Your IT Man for building the site and WS Planning & Architecture who judged the category of Best Website: Small Business.

Remember the more information we have from you, the better the website will be for you. So keep sending in your photos of your events as and when they happen.
