Reigate Summer Festival

14-16th JUNE 2024

Reigate Summer Festival is a celebration of the town's creativity, a weekend of free entertainment for the local community.

Comprising live music, drama, dance, film, literature, comedy, art and history, the festival pulls together the town's numerous creative and cultural groups into one cohesive event in and around the town centre.

The **Tunnel Stage** on Tunnel Road will be the focal point of the festival, with live music, light shows and film projections.

The **Community Stage** inside 'the church in the High Street' will be showcasing performances by local groups, including dance, classical music, choral singing and musical theatre.

The **Fringe Trail** will incorporate high street pubs, shops, restaurants and public spaces, who are arranging their own events such as live jazz, special film screenings, book signings and exhibitions.

Interested in getting involved?

Email reigatesummerfestival@gmail.com leaving a few details and a contact number, and we'll be in touch.
